Monika Figura, MD, PhD

16:20-16:40 **TMS, TDCS or DBS — when and why is it worth it?**
Stanisław Szlufik, MD, PhD

16:40-16:50 **Discussion**

16:50-17:00 **Break**

17:00-18:30 **Plenary session EAN-RRFS and Polish Neurological Society**

17:00–17:25	Polish Neurological Society — today we create tomorrow! <i>prof. Jarosław Sławek</i> (PTN Past-President, IAPRD Secretary)
17:25–17:50	EAN-RRFS — how to cooperate at the European level? <i>dr Luca Cuffaro</i> (RRFS President)
17:50–18:15	The Academy of Young Neurologists — an interactive platform for all neurologists <i>Stanisław Szlufik, MD, PhD</i> (MN PTN President)
18:15–18:30	Discussion and end of the 1st day of Congress

Saturday, 14 May 2022

CONFERENCE ROOM

07:00–09:00	Parallel workshops
-------------	---------------------------

09:00–09:30	Coffee break
-------------	---------------------

09:30–11:10	Plenary session: Future technologies in neurology
-------------	--

09:30–09:50	Modern reperfusion therapies in the treatment of stroke <i>Paweł Wrona, MD, PhD</i>
-------------	--

09:50–10:20	Lecture under the patronage of Ipsen: Botulinum toxin in neurorehabilitation — support or waste of time? <i>Bożena Kłysz, MD, PhD</i>
-------------	--

10:20–10:40	Artificial intelligence in neurology — how to use it well? <i>Paweł Halczuk., MD, PhD</i>
-------------	--

10:40–11:00	Smart Brain Stimulators — do they exist? <i>Stanisław Szlufik, MD, PhD</i>
-------------	---

11:00-11:10	Discussion
11:10-12:20	<p>Fighting for the Truth: Experts and Young — challenging video cases</p> <p>Presenters of the cases: dr Urszula Staromłyńska, dr Aleksandra Fryncel, dr Lidia Kotuła, dr Małgorzata Kowalska, dr Justyna Kaczyńska</p> <p>Experts discussing the cases: prof. Alina Kułakowska, prof. Andrzej Friedman</p> <p>Young Neurologists discussing the cases: Aleksandra Pietruczuk, MD, PhD; Stanisław Szlufik, MD, PhD</p>
12:20-12:30	Coffee break
12:30-13:30	Plenary session: Clinical practice of a young neurologist
12:30-12:45	<p>Is the current specialization system friendly to us? How is it with other European systems?</p> <p><i>Agnieszka Kraśniej-Dębkowska, MD, PhD</i></p>
12:45-13:00	<p>Daily support — what does a young neurologist need for proper development in the clinic and the ward?</p> <p><i>Marta Waliszewska-Prosół, MD, PhD</i></p>
13:00-13:15	<p>Teleneurology — a golden mean for easier access to a neurologist or a way to nowhere?</p> <p><i>Adriana Zasybska, MD, PhD</i></p>
13:15-13:30	<p>Clinical trials — is it worth participating in?</p> <p><i>Aleksandra Karbowniczek, MD, PhD</i></p>
13:30-14:30	Dinner break + mini-sessions of the Conference sponsors
14:30-15:45	The general meeting of the Section of Young Neurologists and the election of the new authorities of the Polish Neurological Society

15:45–16:00 **Coffee break**

16:00–17:00 **Video session I: Experts' lessons from my patients**

16:00–16:20 Case, part 1: Movement disorders
Dariusz Kozirowski, MD, PhD

16:20–16:40 Case, part 2: Multiple Sclerosis — we live in the era of effective
therapy
prof. Monika Adamczyk-Sowa

16:40–17:00 Case, part 3: Epilepsy
prof. Joanna Jędrzejczak

17:00–18:00 **Plenary session: Scientific development of a young
neurologist**

17:00–17:20 Publications — the ABC of writing an article to make it easy to
publish
Łukasz Milanowski, MD, PhD

17:20–17:40 How to write a grant so that it gets a positive opinion?
Lidia Kotuła, MD, PhD

17:40–18:00 Where to apply for research, clinical and post-doc internships —
how to do it?
Monika Figura, MD, PhD

18:00–18:10 — **Announcement of the composition of the new
Management Board and the Audit Committee of the Section
of Young Neurologists of the Polish Neurological Society,**
— **End of the 1st Congress of the Section of Young
Neurologists of the Polish Neurological Society**
